### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Chris Tsang on December 8, 2005.

The application has been amended as follows: claims 27-44 and 48 have been cancelled.

During the same telephone interview, Mr. Tsang authorized the Patent Office to charge a fee for a one (1) month extension of time, if necessary.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: during a telephone interview on December 8, 2005, applicants' representative authorized the examiner to cancel the claims rejected in the previous Office Action. The remaining claims, 2-25, 46 and 47 are therefore allowed for the reasons already made of record in the previous Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
